POPLIN

Creating a Poplin like this is not a piece of cake. Wearing it and feeling extraordinary, on the other hand, is a piece of cake.

The Poplin of Thomas Mason is sacred. Not only because the Poplin name derives from the fabric created for the Popes in the Middle Age, but above all because these used only the best yarns. Soft and crisp, the Poplin of Thomas Mason is always refined and suitable for both the office as well as a formal evening. Twice the number of warp threads in comparison with the weft, results in a compact structure that makes these fabrics ideally suited to lively and bright designs.

POPLIN

***Creare un Popeline
come questo non è un gioco
da ragazzi. Indossarlo
e sentirsi straordinari,
questo sì che è un gioco
da ragazzi.***

I Popeline di Thomas Mason sono sacri. E non solo perché il nome Popeline deriva dal tessuto creato per i papi nel Medioevo, ma soprattutto perché questi usavano solo i migliori filati. Morbidi e scattanti, i Popeline Thomas Mason sono sempre raffinati e adatti sia per l'ufficio che per una serata formale. Con il doppio dei fili di ordito rispetto alla trama, abbiamo un intreccio compatto che rende questi tessuti basi ideali per disegni vivaci e luminose.
